

Winson Sovian

Undergraduate Student of Informatics

winsonsovia2@gmail.com | (+62)81295281390 | www.linkedin.com/in/winsonsovia

PROFILE

Informatics student at Universitas Multimedia Nusantara with a strong interest in Quality Assurance and software testing. Experienced in developing web and mobile applications through academic projects, with hands-on understanding of application workflows, validation, debugging, and usability testing. Eager to contribute to software quality improvement through detail-oriented testing and collaborative problem-solving. Passionate about learning new testing methodologies and continuously improving software reliability and user experience.

EDUCATION

Multimedia Nusantara University

Aug 2023 – Present

Informatics

Expected Graduation Date: September 2027

CGPA: 3.28/4.00

PROJECTS

College Project | 'Digital Attendance System' Visual Programming

Feb 2026 – Present

In this project, I designed and developed a Digital Attendance System featuring dynamic token-based attendance validation, role-based dashboards for teachers and students, attendance reports, and leave request management using .NET Windows Forms.

College Project | "UFound" Mobile Cross-Platform Programming

Feb 2026 – Present

Developed and tested a cross-platform lost and found application, including validation of reporting flows, QR-based pickup verification, and role-based access scenarios to ensure application reliability and usability.

College Project | 'Taman Bacaan Penjaringan' Mobile Application

Sep 2025 – Dec 2025

In this project, I developed a library management mobile application using RecyclerView and API integration, featuring authentication flows, admin dashboards, book borrowing management, and responsive user interactions to improve the overall library service experience.

College Project | UI/UX: 'FindMe'

Feb 2025 – May 2025

I designed the user interface for "FindMe", a lost and found application, by creating intuitive and user-friendly layouts for the Home Page, Add Report feature, and User Profile section while ensuring a seamless user experience and consistent design flow across the application.

College Project | 'Zellos Community' Website

Aug 2024 – Dec 2024

I built a community website featuring role-based access control, authentication flows, and a complete event management system with database integration for daily verse selection.

ORGANIZATION

Konselor Sebaya Gen 10 - Peer Counselor for UMN Student's Jan 2026 – Present
I served as the Head of Peer Counselor Generation 10 at Universitas Multimedia Nusantara, leading peer counseling activities, delivering educational sessions, coordinating meetings, and overseeing counselor team responsibilities to support students' academic and personal well-being.

SAA UMN 2025 - Student Association Awards Event at UMN Jun 2025 – Dec 2025
I contributed as a Fresh Money Division member in SAA UMN 2025 by managing violation fine records, handling financial recaps, and coordinating with vendors for paid promotions and partnership collaborations.

Konselor Sebaya Gen 9 - Peer Counselor for UMN Student's Jan 2025 – Dec 2025
I served as the Secretary of Konselor Sebaya Gen 9, coordinating meeting operations through activity scheduling, session planning, attendance management, logistical preparation, and internal communication to support smooth organizational activities.

Alive 10.0 - Health Organization Event At UMN Sep 2024 – Nov 2024
I served as the Coordinator of Security and Equipment in Alive 10.0 by managing venue preparation, equipment coordination, security arrangements, event regulations, and ensuring operational compliance throughout the event.

OMB UMN 2024 - New UMN Student's Orientation Event Jan 2024 – Sep 2024
I provided first aid support and assisted participants with medical needs during the orientation event to ensure a safe and comfortable environment for new students.

SKILLS AND OTHERS

Skills: C/C++, C#, Kotlin, Java, JavaScript, ReactJS, Python, PHP, Laravel, MySQL, Agile Web Development, App Development

Tools: Visual Studio Code, XAMPP, Laragon, Microsoft Visual Studio, Jupyter Notebook, CodeBlocks, phpmyadmin, Microsoft Office, Figma, Android Studio, Unity, VMware Workstation, VirtualBox, SQL Server Management Studio, Postman, Jira

Certification: Quality Assurance Course By HabisKerja, Network Penetration Testing by CodeLamp, HCIA-AI V3.5 Course by Huawei, HCIA-openGauss V1.0 Course by Huawei, Introduction to Python by Sololearn, Python Intermediate by Sololearn

Language: Indonesia (Native), English (Intermediate)

CERTIFICATE OF COMPETENCE

This certifies that

Winson

has completed **"Kelas Quality Assurance"** course from habiskerja.com, and performing excellence performance in several topics such as: Understanding the concept of Quality Assurance (QA), the types of testing/types of testing in QA, how to make a good Test case/Test scenario, how to do good testing in accordance with the product/feature SOP, portfolio required for a QA, etc.
